Benton "Bonzo" Jones

1956-2022

Benton "Bonzo" Jones, 65, of State Center, Iowa, passed away on the afternoon of March 17, 2022 surrounded by his family and under the care of Iowa River Hospice.

A celebration of life will be held for Benton on Thursday, March 24, 2022 from 5:00 to 7:00 P.M. at the Mitchell Family Funeral Home. Memorials in Benton's name may be directed to his family for a later designation. For additional information or to send a condolence to the family please visit www.mitchellfh.com or call 641-844-1234. Mitchell Family Funeral Home is caring for Benton and his family.

Benton Frank Jones was born August 10, 1956 to parents Vernon and Jane (Gill) Jones in Marshalltown, Iowa. He grew up in State Center, Iowa and attended school at West Marshall where he graduated in 1974.

Benton began a family of his own raising his children Shannon and Benton "Ben." He worked for numerous years as a truck driver for Mid-Iowa Co-Op and farmed.

Benton loved to spend time with his children as well as his long time significant other of over 20 years, Michelle Frye. He was dedicated to family and helped to take care of his parents while he was able. He enjoyed riding his Harley Davidson Motorcycle, drinking a few PBR's, snow mobiling trips, being outdoors, watching the races, and trips to Estes Park, Colorado.

Those left to remember and cherish his memory are the love of his life, Michelle Frye; his children, Shannon (Kirby) Moss, Ben (Mindy) Jones, Jared (Bailey) Barnes, Travis (Katie Thompson) Barnes; his grandchildren, Taylor Moss, Emma Moss, Benton Jones, Blaine Heick; his father Vernon Jones; his siblings, Bob (Bev) Jones, Bill (Cindy) Jones, Barry (Kindra) Jones, Brian (Jana) Jones and Brad (Linda) Jones; alongside numerous nieces, nephews, and cousins.

He was preceded in death by his mother Jane Jones. The family wishes to thank Dr. Merchant and his oncology team at Mary Greeley for all of their help as well as Iowa River Hospice for caring for Benton and his family.

Edwin "Ted" Gerald Clark

1934-2022

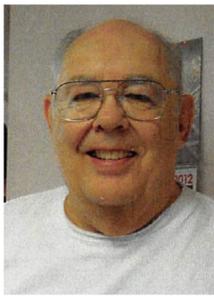

Edwin "Ted" Gerald Clark, 87, of Independence, Iowa, passed away on Monday, March 14, 2022, at his home in Independence. A memorial service was held at 12 noon on Saturday, March 19, 2022, at the Abels Funeral and Cremation Service, Engelkes Chapel in Grundy Center. Inurnment followed at Rose Hill Cemetery in Grundy Center. Memorials may be directed to Cedar Valley Hospice.

Ted was born on December 4, 1934, in Grundy Center, Iowa, to his parents Delbert and Vivian (Boren) Clark. He was raised in Grundy Center and graduated from Grundy Center High School in the class of 1953. He then enlisted in the United States Navy and served 4 years. Upon his honorable discharge he returned to Iowa and was united in marriage to Lois Smith on September 14, 1958. Together they made their home in Cedar Falls and welcomed 2 daughters into their family.

Ted worked as a printer at John Deere from 1964 until his retirement in 1993. All the while though, he ran his own printing company from his basement beginning in 1974; and continuing through 1981 when he bought the Clark Printing Shop until he sold the shop in 2014. During that time, he also worked construction in his after hours, doing concrete and landscaping work.

Ted loved to fish, play cards, and travel to Florida to visit family. He was a member of a bowling team and even sponsored the team for league play.

Ted is survived by his daughters Kim Bruhn of Cedar Falls, Iowa and Kristi (Bob) Erck of Ft. Wayne, Indiana; grandchildren Matthew, Conrad, and Riley; 4 sisters-in-law; 2 brothers-in-law, many nieces and nephews; loving companion Jean Taylor; and extended family Lorry (Ward) Richards and Jeanne Taylor. He was preceded in death by his parents, wife Lois Clark; brothers Bob Clark, Bill Clark; and nephews Tim Clark and Jeff Smith.

Warren Lindaman

1933-2022

Warren Lindaman, 89, of Wellsburg, passed away Saturday, March 5, 2022 at Grand Jivante in Ackley, due to complications from COVID-19. Memorial services were held at 10:30 AM Saturday, March 12, 2022 at the East Friesland Presbyterian Church, 11121 150th St., rural Ackley. He was laid to rest with military honors at the East Friesland Cemetery. Those planning an expression of sympathy may wish to consider memorials to Care Initiatives Hospice or to the family to be designated to other missions. Counsell Woodley Funeral Home of Iowa Falls is caring for Warren and his family.

Warren L. Lindaman was born on January 4, 1933, to Jake J. and Esther (Oelmann) Lindaman at the Marshalltown Community Hospital. (He had the distinction of being Grundy County's first baby of the year in 1933.)

He attended Country School at German #5 through the 8th grade and then finished his education, graduating from Wellsburg High School in 1951.

He served his country with the U.S. Army from 1953 to 1955. In the U.S. Army he was a personal assistant for Retired General Cyrus Q. Shelton in El Paso, Texas. After his service in the U.S. Army, he began farming with his father, north of Wellsburg. Warren loved cattle and that passion led him to become a cattle order buyer for other individuals throughout the area.

He married Dena Krull on June 16, 1959 at the Bethany Presbyterian Church in Grundy Center. They were blessed with four children, Cindy, Greg, Darla and Barb.

Warren was a lifelong member of the East Friesland Presbyterian Church. He served the Lord as an elder, deacon, trustee, Sunday school and Catechism teacher. In addition to his church involvement, he was a 4H Leader, served on the Wellsburg School Board, Wellsburg City Council, Wellsburg Community Club and the Wellsburg American Armvets Post No 91. Warren also served on the Board of Directors for Peoples Savings Bank from 1984 – 2008.

Warren was a very generous, humble, caring and loving man. He treasured his faith and family above everything else. Warren never met a stranger and always had a genuine interest in the people he met. One of his greatest joys was attending cattle sales with his son and grandson. In addition, he greatly enjoyed sharing his passion for trout fishing with his family and friends. Above all, he was incredibly proud and actively involved with his grandchildren and great grandchildren. His infectious smile and outgoing personality will be greatly missed by all.

Warren Lindaman is survived by his wife of 62 years, Dee Lindaman of Wellsburg; daughter, Cindy (Steve) Corwin of Cedar Falls, son, Greg (Kim) Lindaman of Wellsburg, daughter, Darla (Kent) Nederhoff of Wellsburg and daughter, Barb (Jeff) Curran of Waterloo; grandchildren: Ashley (Travis) Saunders, Morgan Corwin, Maddie (Matt) Byl, Kelsey (Adam) Alpert, Mackenzie (Tyler) Sprain, Zach (Emily) Lindaman, Taylor (Blake) Nederhoff, Shelbi Nederhoff (friend David), Ben (Briony) Curran, Nate (Mirela) Curran and Emily Curran; great grandchildren: Tayah, Presley, Tenley, Wesley, Shayley, Payton, Lou, Jagger, Andie, JoEllin and Riggs as well as his cousin, Joanne Dass who grew up in the Lindaman home. He was preceded in death by his parents, Jake J and Esther Lindaman; a brother, Arnold Lindaman and other extended family members.

Joel & Kurt Steckelberg spoke under the citizen's forum in regards to wanting to put an addition to their current veterinary building for offices and then an area where they can give farm animals their shots. It is geared toward the smaller farmer and it would be a maximum of 20 cattle. They have visited another clinic in Grinnell that has this service. The reasons they would like this is because it is a safety issue. Currently some animals have been brought to the clinic and it is done in the parking lot. This addition would be inside with no chance of the animal getting loose. They would like this for the courtesy of their clients and to allow the veterinarians more time at the clinic. At the current time, the clinic is not allowed to put this expansion on due to a 2014 Pre-Annexation Agreement. They are asking for the agreement to be modified. In this agreement Exhibit D - List of Conditions item #8 states the Developer may not construct any large animal/livestock building or large animal/livestock "working area". Council Member Frank asked questions regarding where the trailers would be pulled in considering the fire station is on that road. Various areas were discussed. They would like to build this addition yet this year maybe in August. Guidance was given to the City Administrator/Clerk to talk to City Attorney Geer and to bring a modification to the next meeting.

Various engineering agreements were brought to the Council for consideration regarding the projects that were brought up with the Iowa Visioning Committee grant process. The first on the agenda was the construction of a pickle ball court. Wilson gave an overview of the costs approximately \$80,000 for the courts only. With the addition of fence and engineering it could reach \$125,000 with a sidewalk around the parameter. This does not include lighting. Council member Frank asked if there have been any quotes for lighting. At this point there has not been but it is estimated this could be \$25,000. Frank asked if it would be cheaper to have solar lights and also about the limited use without lights.

Schnathorst said he wanted to stop the discussion (on the pickle ball court) and need to go back to the beginning. This Visioning project has never been formally presented to the Council to the best of his knowledge. He heard from multiple people there is disconnection between the Park Board and Visioning Group on where it should be. No formal presentation of the pros and cons of where it should be located beside the pylons to show it may or may not fit here. He wants to know how to get back to square one of getting a plan, who's in charge, whose idea is it, pros

and cons so city council is not the bad guy for making the decision on yes or no or where it goes. He is all in favor of growing Conrad and making investments. He said we all went down the fire station debates and we are headed down that path again. Stansberry said we can slow it down, get pros and cons from both committees, we can get both committees together bring plan layouts. Schnathorst said Stansberry is doing a great job of driving it with Martin saying she is not the right person which Schnathorst agreed with. Martin said they (Visioning and Park) need to come to Council with a formal presentation. Frank asked if there is anything driving by having it done by a certain time. Stansberry explained the grant process and we were not organized this year but would next January - March. Wilson and Dinsmore spoke more in regards to Visioning process and how a lot of the projects fell into park and recreation. Frank asked about interviewing the community and the data that they wanted a pickle ball. Dinsmore explained how the community involvement worked and how it was part of the Iowa Community Visioning project. Ben Kuhl asked if the Community said they wanted this. Dinsmore explained more how it worked and that is where the skate park first came out and how the process did work. It was said that we are going to wait until the two parties can get together to make a presentation. Frank asked if this is really what they want. He doesn't want to build and nobody use. Martin said Visioning needs to get the projects together and rank them and then get with the park board and come together with ranking. Then they can present to Council. It is more of financial commitment with the Council. They should not be deciding the projects and where are the projects going to go.

Martin said the next item was Southside bike trail and it has been discussed as long as he has been on anything to do with the city. He said we are talking about calling it a bike trail because of grant funding. It is a safety issue. It is still a thing of cost and can the City afford it. Ben Kuhl talked about his discussion with Larry Olson and he is all for a sidewalk being there. His opposition is if it would be a shared motor way with golf carts. He does not believe it should be shared and if it is a safety issue he thinks that golf carts should not be allowed. He is also concerned about it going across his driveway. He has not seen an issue with golf carts (on the road) and doesn't see a reason to have a golf cart on the new trail. Martin said it's always been talked about as a pedestrian walkway but there was a request for motorized golf carts on it. Martin said he doesn't think there is an intention to have golf carts on it and it would be handled the same as other bike paths that doesn't allow motorized vehicles. Frank talked that it is a safety issue. Kuhl thinks sidewalk aspect is a great idea. Wilson explained sidewalk has to be five feet from curb and shared walk path would be eight feet. Wilson said they have 14 1/2 feet of the

right of way. Wilson explained it is over the threshold for needing to go out with plans and specs. Stansberry explained the various grants that are out there. The City's grant writer said to go with a bigger project which is why the next item bike path erosion control being on the agenda too. The big grant coming up is the REAP grant. Then the REAP grant could be used as match for future grants. Wilson talked about doing 5 - 6 foot wide sidewalk if grant dollars are not tied to the project then can get it further away from the street. Wilson talked about plans being six feet with alternate of eight feet if we get the grant. Brown made a motion to get approval on the engineering starting with a six foot sidewalk with alternate of eight foot. Additional discussion concerning funding if the grants did not go through would the City fund it, engineering costs and needing a cost estimate to have a budget to start applying for grants. Brown's motion stood with Dinsmore seconding to approve the engineering. Stansberry will bring a resolution at the next meeting.

Wilson discussed what the bike path erosion control entailed and that it is by the day care. Wilson explained that the quote from two years ago and was just for paving a twenty five foot. This estimate was to raise the elevation and he explained this was in a flood plain and would need a DNR permit. Brown asked if it would be paved how long would it take to wash out. Wilson explained with talking with Nick Kitzman and Brian Ladehoff it all depended on the year and amount of rain. More discussion is needed before making a decision and look at other options. There are two different areas that are problems. This will be put on next month's meeting to discuss more. Council would like to see when it washes out.

Budget was not discussed. Martin explained the next item was the approval of the annual premium to ICAP for \$42,991. Stansberry noted this is the second year that the City is not receiving a dividend due to tornado and Derecho. Brown made a motion to approve which was seconded by Schnathorst. Motion approved 5-0.

Martin explained the next item is removing wallpaper, fixing texture and paint city hall by Dolezal Painting for \$5,865. Stansberry explained the colors chosen for painting city hall. Wallpaper will be removed and the old concern is what could be under there. Frank made a motion to approve the painting with Kuhl seconding the motion. Motion approved 5-0.

The next item is the cleaning of the lateral & sand removal from the aquatic center. Pool Tech put a quote of \$22,425. Brown made a motion to approve the quote from Pool Tech and Kuhl seconded the motion. Motion approved 5-0. Schnathorst made a motion and was seconded by Kuhl to adjourn the meeting. The meeting was adjourned at 8:14 pm.

Pauline Mae Arends

1933-2022

Pauline Mae Arends, 88, of Grundy Center, Iowa, passed away on March 19, 2022, at Creekside Living in Grundy Center. Visitation will be held from 12:30 p.m. until time of funeral service at 1:30 p.m. on Friday, March 25, 2022, at the Colfax Center Presbyterian Church in Rural Holland. Burial will follow at the church cemetery. Memorials may be directed to the family. Online condolences may be made by visiting www.abelsfuneralhomes.com

Pauline was born on July 9, 1933, in rural Grundy County, Iowa to her parents Sicko and Ella (Hippen) Luchtenburg. She was raised in Grundy County and graduated from Grundy Center High School. Later in life she went to Hawkeye Community College and earned her Nursing Assistant Degree.

Pauline was united in marriage to the love of her life Virgil Lee Arends on October 30, 1951, at the Colfax Center Presbyterian Church. They made their home on their farm in rural Parkersburg for 50 years and welcomed five children into their family. They later moved to Grundy Center.

Pauline began work at the Farm Bureau as a secretary. She then worked at Grundy County Memorial Hospital as a Nursing Assistant on the OB floor. Later in life, after receiving her certification from Hawkeye Community College, she worked at the Long-Term Care Unit of the hospital. Lee and Pauline were also the owners of the Fern Dairy and Cheese Store. She then worked as a salesperson for Gourmet Express. She was a proud mother and helped Lee on their farm.

Pauline was a long-time member of Colfax Center Presbyterian Church, where she served the church as a Church Youth Group Leader, taught Catechism classes and was a part of the ladies serving group. She loved fishing at Judd's Resort, sewing, gardening, and playing cards. However, her true joy in life came from spending time with her family, especially her grandchildren.

Pauline is survived by her children Patti (Mike) Norris of Grundy Center, IA, Sheryl (Leon) Johnson of Parkersburg, IA, Joel (Jeanne) Arends of Clear Lake, IA, Jane (Brian) Schissel of Olathe, KS and Cinda Pankratz (Jason Winters) of Clear Lake, IA; 15 grandchildren, 25 great-grandchildren and many nieces and nephews. She was preceded in death by her parents; husband Virgil; grandson Cory Norris; sister Lillian Flater; brothers Frank and Don Luchtenburg; and son-in-law Tom Morris.

Dale Leon Saathoff

1937-2022

Dale Leon Saathoff, 84, of Granbury, passed away peacefully Thursday morning, March 3, 2022. Dale was born August 6, 1937, to Carl and Louise Saathoff in Hastings, Nebraska. The family moved to a farm near Waverly, Iowa, where Dale attended Waverly High School (Class of '55) and met his future wife, Dixie Lee Stufflebeam.

They were married on February 21st, 1959, and had three sons; David, Randal, and Brian. Dale graduated from the University of Iowa with a Mechanical Engineering degree. He applied his education and skills to working at John Deere in Cedar Falls, Iowa, and had a farming and construction business that expanded from Iowa to Oklahoma and Texas. A comment received from Dale's nephew Kevin Stufflebeam, described him perfectly:

"Dale wasn't afraid of hard work. The world needs more people like him. Smart guy."

When Dale was off the clock, he enjoyed woodworking and Pheasant Hunting. A true craftsman with an eagle eye.

Dale is survived by his sons; David and wife Connie, Randal and wife Kristanya, and Brian and wife JoAnn; his grandchildren, Kiersten, Trevor, Korinna, Erik, Carington, and Gregory; two great-grandchildren, Rylan and Gracelynn-Dixie; and his sister, Connie and husband Arlin Bierman and many nephews and nieces.

In addition to his parents, Dale was preceded in death by his wife, Dixie Lee, his brother Ralph Saathoff, and his second wife, Betty Rhoades.

A special thank you goes to Trisha Beverly for being by his side for the past year.

Dale was a member of the First Baptist Church in Cedar Falls, Iowa and the Stonewater Church, Granbury, Texas.

Remembrance services to celebrate Dale's life shall be held in his hometown of Waverly, Iowa later this Spring.

Board Members: Brian Feldpausch and Mindy Ashton and High School Principal: Jackson Anderson were absent.

AGENDA: Motion by Probasco, second by Shipper to approve the agenda as presented. All ayes. Motion carried.

MINUTES: Motion by Schipper, second by Stover to approve the minutes of the February 21, 2022 board meeting. All ayes. Motion carried.

REVIEW OF MONTHLY FINANCIAL REPORTS AND APPROVAL OF ACCOUNTS PAYABLE: The financial reports were reviewed and expenses were looked at and compared to last year at this time. Motion by Stover, second by Donaldson to approve the financial reports and payment of invoices, including the additional bills, as presented. All ayes. Motion carried.

POSITIVE SHARING: Middle School Principal Dirk Borgman shared that parent-teacher conferences were held on March 1st and 3rd with 6th-8th grade teachers in the gym with parents to stop by which teachers they chose, while 5th grade teachers had scheduled conferences with their homeroom classroom students. Parent attendance was as follows: 86% for 5th grade, 62% for 6th grade, 50% for 7th grade, and 43% for 8th grade. March Madness week was organized by Mrs. Shadlow including dress up days and a basketball tournament. The teacher inservice time was used for a Leader in Me booster and to plan a family night for families and their students. Mrs. Benson is working with the 8th graders on high school scheduling and what the transition to high school will look like. 8th grade art students are working on making masks and learning about Mardi Gras with Ms. Shaw. 7th graders made a model of the distance between Earth and the moon with science teacher Mrs. Shadlow. Mrs. Geelhart and Mr. Paugh took the 5th grade students on a field trip to the capital with many parent chaperones going along. Dirk attached a google spreadsheet from parents and teachers on pros and cons of block scheduling. Elementary School Principal Mitch Parker shared that he is proud of the kindergarten class for sharing about habit 7 – sharpen the saw at the school leadership assembly. The Elementary and High School connected through buddy day at the high school, it was a great time for the kids. The Elementary hosted career week for the 3rd and 4th graders and had community members come in and share about their profession and what it takes to secure a similar job. Mr. Parker shared that they have over 70 students in new leader jobs for 4th quarter in the leader in me program. This helps the students share about leadership skills and what they hope to learn in their leader job. The Elementary held conferences the last day of February and one of the first days of March with 98% of parents attending. Mr. Parker shared that the math teachers are working at each grade level to align the new Illustrative Math Curriculum with the state standards. The Elementary met their reading goal for the 3rd quarter and held a victory day with

popcorn and a movie. They also had an assembly where Wildlife Encounters came and talked about different animals from around the world and brought animals for the kids to see. The Elementary has now increased their reading goal to 5,400 books total by the end of the year. Mr. Parker shared that teachers have been identifying grade level standards as teams.

MIDDLE SCHOOL MATH CURRICULUM REPORT: Middle School Math teachers, Mrs. Rhinehart, Mrs. Reints, and Mr. Paugh gave the curriculum report. Mrs. Rhinehart, 6th grade math teacher, shared that they have taught Saxon math for years and it was time for a change. The Middle School is now using Illustrative Math or IM. Illustrative Math is made up of 8 units of study and there is no textbook. IM has many resources that are very helpful for the teachers and students. The resources with IM have made it possible to continue to teach math without books and during online learning at home. Mr. Morgan with IM developed videos of every lesson making it possible for the teachers to email links to students if they are absent. IM math also comes with manipulatives or hands on learning that helps with visuals of math problems. Mrs. Rhinehart is in her 4th year of teaching IM math and loves the program and is very excited for where it is going. Mrs. Reints, 7th and 8th grade math teacher, shared that she also uses IM math and is working with Mrs. Runge at the High School to make sure they are on the same page with where 8th grade students should be at when entering High School. Mrs. Reints shared this is her first year using the Algebra 1 curriculum. Mrs. Reints explained that she starts with math minute work, moves on to a warm up math question, then does student tasks with the kids, and ends with cool down questions. Kids are expected to turn in homework and Mrs. Reints goes through it and hands it back. Mrs. Reints and the students revisit what areas need to be reviewed. Mr. Paugh, 5th grade math teacher, shared his presentation and informed us that he is using IM math. The class period is very similar to the other teachers where the students start with a math minute before moving onto the warm up and then students work on student tasks and cool down questions. Mr. Paugh shared that they also have supplemental math activities that go along with IM math. A few of them are IXL skill work, Skills worksheets, and AMATH test. AMATH test is given to the students three times a year to evaluate areas of strength and areas of need for the individual student. All the Middle School teachers are very happy and excited with how IM math is working in the classroom with the students.

REVIEW ELEMENTARY SCHOOL FACILITY NEEDS: Mr. Parker gave the school board a tour of the elementary school facilities. The Elementary is in decent shape as they have been working on updating the exterior doors. While they still have some to update the ones that have been done look good. The front door has been equipped with a buzz in system to keep the staff and students safe and that is working well. The lockers in the hallways have been painted and that makes them look nice, some of them though do not lock or stay shut. Many of the floors have been updated from carpet to epoxy flooring and this looks very nice. Many of the classrooms have updated countertops and sinks. None of the classroom carpet has been replaced. Accordion walls in between some of the classrooms are not in the best of shape and do not do well with reducing noise between classrooms. Teachers are very happy with the exterior doors in their classrooms with the natural lighting, good security, and many exits. They have replaced some kids desks and tables and are in the process of replacing teacher desks. The bathrooms are in good

shape and the sinks have been updated. Every classroom has been repainted in the last 5 years. The preschool playground could benefit from another piece of equipment. The back playground could also benefit from having the fence finished to connect to the back side of the school. The gym/lunchroom floor is starting to pull up and has bubbling in the floor. The lunch tables have held up well. Mr. Parker shared that they would like to have a projector and screen that drops down in the gym/lunchroom for when they have assemblies in the gym/lunchroom. The digital keypad on the outside door to the gym has been very helpful in letting people use the gym and not have to worry about patrons returning the key or losing it. Mr. Parker shared that they do not have much storage at the Elementary and could benefit in having more.

APPROVE CONTRACT FOR IVCCD & BCLUW FOR SUMMER COLLEGE CREDIT PROGRAM 2022: Mr. Petty shared that with this agreement students at the high school would have the option to take college classes through the summer to earn dual credits with the high school and IVCCD. Motion by Donaldson, second by Stover to sign the contract between IVCCD and BCLUW for summer college credit program for 2022 All ayes. Motion passes.

CONSIDERATION OF HIGH SCHOOL WINDOW REPLACEMENT: Mr. Petty informed the board that there are still 12 windows left to replace at the high school. The quote is for 6 windows to be replaced. If we want to get windows replaced, we need to get the windows ordered soon as the lead time is long to get the material in. Motion by Donaldson, second by Schipper to accept the bid from Iowa Falls Glass, Inc. for the purchase and installation of 6 windows. All ayes. Motion passes.

PERSONNEL: Motion by Schipper, second by Stover to approve the following:

The resignation of David Lee head girls' basketball coach effective the 2022-23 school year.

Offer a contract to Stephen Estes as Elementary Principal for the 2022-23 school year.

Offer a contract to Carrie Nesvik as the Elementary Guidance Counselor shared with GMG Elementary for the 2022-23 school year.

Offer a contract to Taryan Barick-Wessels at the assistant girls' softball coach for the 2022 season. All ayes. Motion carried.

Motion by Stover, second by Schipper to approve the retention bonus for all full time in the classroom teachers. All ayes. Motion carried.

APPROVE THE 2022-2023 MASTER CONTRACT WITH CERTIFIED STAFF AND AWARD CERTIFIED STAFF TEACHING/COACHING CONTRACTS: Mr. Petty shared that we are recommending to increase the base salary by \$1,000 and increase current certified staff by \$1,200 with a 2.5% increase for extracurricular, coaching, and supplemental pay. Motion by Probasco, second by Stover to approve the 2022-2023 master contract with above recommendations and award certified staff teaching/coaching contracts. All Ayes. Motion carried.

APPROVE THE 2022-2023 SUPPORT STAFF/ADMINISTRATIVE SALARIES/CONTRACTS: Mr. Petty shared that we are recommending a 2.5% increase for all Administrators, Technology Director, and Building and Grounds Director. Recommend extension of superintendent rolling 3-year contract to extend through 2024-2025. 2.0% increase for Transportation Director. .50/hour increase for support staff. Part time Morning and Afternoon route bus drivers (that are just route bus drivers and not custodians too) 1.00/hour increase and .75/hour increase to van drivers.

Paraeducators and Hot Lunch employees .50/hour increase and no position will pay less than \$11.00/hr.

Custodian employees .50/hour increase and no position will pay less than \$13.00/hr. Motion by Stover, second by Schipper to approve the 2022-2023 Support Staff/Administrative Salaries/Contracts as recommended above. All Ayes. Motion Carried.

APPROVE 2022 SUMMER REC BUDGET: Motion by Donaldson, second by Stover to approve the 2022 Summer Rec Budget and Personnel submitted by Lynn Silver. All Ayes. Motion Carried.

APPROVE 2022-2023 SCHOOL FEES: Motion by Stover, second by Probasco to approve the 2022-2023 School Fees as follows:

K-4: \$90.00
5-8: \$120.00
9-12: \$150.00
Band Fee: \$40
College Fee: \$60 per college class
Student Lunch: \$3.05
Student Breakfast: \$1.95
Adult Lunch: \$4.20
Adult breakfast: \$2.20
Milk: .50/carton for extra milk
All ayes. Motion Carried.

BUDGET GUARANTEE RESOLUTION: Motion by Schipper, second by Donaldson to approve the following resolution: Resolved, that the Board of Directors BCLUW CSD, will levy property tax for fiscal year 2022-2023 for the regular program budget adjustment as allowed under section 257.14 Code of Iowa. All Ayes. Motion Carried.

APPROVE 2022-2023 BCLUW TENTATIVE BUDGET AND SET BUDGET HEARING DATE & TIME: Motion by Probasco, second by Schipper to authorize the Board Secretary to publish the 2022-2023 budget estimate of \$14,512,201 for all funds, with \$3,149,876 to be raised via property taxation, with a total tax levy of approximately 10.15372 per \$1000, and to hold a public hearing at the Media Center in Conrad at the High School on April 11, 2022 at 7:15 a.m. regarding the budget, as required by law. All Ayes. Motion Carried.

CONSIDERATION OF E-RATE TECHNOLOGY PROPOSAL: Jason Freesman, BCLUW District Technology Director, gave the board an overview of the E-rate technology proposal to increase the internet service with Heart of Iowa to 1Gbps from 750MB and also discussed adding more cabling, switches, drops, and doing a cloud upgrade. This would allow for more internet access outdoors to cover football fields, the track, and playground areas, also allowing students to sit outside the building outside of school hours to complete homework. There is a need for more access points where internet is slower. The current access points are halfway through their life expectancy which is 12 years and we have had them for about 6 years. The cabling is needed to allow more data to pass through. Motion by Schipper, second by Donaldson to pass e-rate proposal by upgrading internet to Category 1 bid from Heart of Iowa to 1Gbps, AERCOR Cloud upgrade, up to 5 new switches, and cabling as needed with a max spent on total Category 2 project of \$45,000. All Ayes. Motion Carried.

DISCUSSIONS/REPORTS
Mr. Petty discussed that he was able to get around to many classrooms and saw good things happening. He was also pleased to see young community members helping out with the spring play and being involved. Mr. Petty discussed setting up a meeting with the facilities committee to discuss the 5-year plan of facilities. This is tentatively being set for March 29th @ 4:30 p.m.

NEXT MEETING: The next regular meeting of the board will be held at 7:00 a.m. on March 14, 2022 at the High School Media Center in Conrad.

ADJOURNMENT: Meeting was adjourned at 8:06 p.m.
